# FEDERATION OF INDIAN INDUSTRY

We are a not-for-profit organization, an advisory interface between the Government and Industry. An initiative by Industrialist & Philanthropist, Mr. Deepak Jain, with an objective to provide a structured and comprehensive advise and information to Indian Entrepreneurs, Foreign Investors and Government on business environment, prevalent laws, operational intricacies, and implementable solutions. FII offers a platform for networking and relationship building within and across the industrial sectors, policy makers, and the intercontinental business fraternity. FII has helped government and businesses better understand each other and work towards the social and economic well being of Bharat.

## Key Focus Areas of FII

### Enabling Global Footprints

Today, the opportunities to expand internationally are better than they ever have been before. Conducting business globally has become an essential part of the overall strategy for many businesses. FII advises on vital information related to Government incentives, tax laws, custom regulations, and cultural/ political/ business environment of the host country.

### Make In India

The Global investors are watching India with a great interest after the launch of “Make in India” initiative by the Indian Prime Minister Shri Narendra Modi. At FII, we advise and extend our assistance to ensure a smooth sailing for the Government / Companies across the globe to make investment and set up factories and expand their facilities in India.

### Ease Of Doing Business

One of our objectives is to help State Government by emphasizing the areas of business regulation that need attention; underlining a few unproductive, redundant, wasteful processes & laws already prevalent in the system and suggesting possible alteration in Laws & Processes for the progression and nurturing of the business-friendly environment.

### State Industries Policy

FII is equipped to advise on multiple investment location options for a business project like special economic zones, country specific zones, industrial estates, etc. We are also enabling investors to overcome deferrals in getting licenses, company incorporation, land acquisition, and other necessary procedures & approvals.

### Entrepreneurial Skill Development

India's demographic dividend, which is both, the leading opportunity and the demanding challenge for the country. FII provides a coordinated effort in skill development initiatives across the country. We conduct series of skill workshops and developmental programs aimed at professional & self-employment.

### Advice On Taxation Policy

Companies are affected by a multitude of tax issues. FII provides an analytical guidance and comprehensive advice on double taxation and tax structuring to Governments and companies.
