Message from Director General

Deepak Jain

Director General – FII

Federation of Indian Industry is working towards building Nation both from within and globally. Keeping in line with our vision of strengthening Indian bilateral ties, our Delegate team visited Nepal in March 2022. The team comprised of vibrant, young entrepreneurs and industrialists both from FII India and FII Nepal Chapter. We explored various future business and development opportunities with the Senior Leadership of Nepal, Industrial community and the Investment Board of Nepal. The political environment under the current leadership is stable in Nepal. The visit of Hon'ble Prime Minister of Nepal to India right after the FII Delegate visit, has strengthened the bilateral relationship. This will certainly boost the business and trade between the two Nations. It is one of the topmost priorities of India to improve relations with BIMSTEC countries. FII has done engagements with South Korea and Vietnam in line with this broad vision.
